Dear Valued Customers,

RE: Ilsintech Fusion Splicer & Products Distribution

Avax SA 410 has gone fusion and is very excited to announce our appointment as sole distributor for SA of Ilsintech Fusion Splicer products, effective 1 April 2016.

Currently Swift Ilsintech has been awarded the best fusion splicers in the world, with the fastest splicing time in the fiber optic industry.

In addition , we as Avax SA 410 will keep a high standard to service delivery and quality assurance.

Together we share an uncompromising commitment to service excellence and welcome the opportunity to showcasw the Ilsintech Splicers & Products.

Please feel free to contact our sales executives for a free demonstration as well as a discussion around offering the best products suited for your needs.

We looking forward to being of service.

Kind Regards
Hannes Pretorius
Project Manager
